BEST OF NEWER GLADS

Cut flower growers are finding their market more competitive each year, and if they are to stay ahead of their competitors they have to invest a part of their earnings in the best of the new varieties.

In order to help you determine which are the best we buy 75 to 100 new ones every year, and grow them in our own garden. The very best are selected from these to offer to you. This is a Friendly Glad Garden service that is appreciated by our customers. The following varieties are real money makers.
